Murdoch Alexander Mackay was recorded as being born in the Wantage area. Parish Records show his baptism at West Hanney on 19/08/1892. His parents were Alexander and Leah Mackay who gave their abode as Westminster. Alexander was a porter at the 'Army and Navy' store.

No further records can be found for any of the Mackays in Hanney or Westminster. The fact that Alexander was baptised and is remembered here may mean that Leah had family living here.
